

1ST SUMMIT BANK to Open Branch in Murrysville

In October 2020, 1ST SUMMIT BANK began construction on their newest branch in Murrysville, PA.

CEO and President J. Eric Renner reports, “We are excited to expand our presence in Westmoreland County where we feel 1ST SUMMIT BANK’S community bank brand will resonate with businesses and customers alike.”

For the past 96 years, 1ST SUMMIT BANK has been fully invested in their communities through the dedicated support of local small businesses as well as charitable and cultural organizations. While this future branch of 1ST SUMMIT BANK will introduce the Murrysville community to its wide assortment of financial solutions, it’s their extraordinary approach to customer experience, along with their state of the art electronic and mobile banking capabilities, that will make them a valuable partner to both consumers and businesses in our area.

1ST SUMMIT BANK currently operates out of branches in the five counties in Western PA: Cambria, Blair, Somerset, Indiana, and Westmoreland. This new Murrysville branch will be the bank’s third branch in Westmoreland County. 1ST SUMMIT BANK plans to open the Murrysville branch at 4510 William Penn Hwy in February 2021.

Renner concludes, “The Murrysville area presents unlimited growth opportunities and we are looking forward to assisting in its expansion with our uniquely personal approach to banking. We’re excited for our new neighbors to come and *Experience the Difference* 1ST SUMMIT has to offer”.
